## THE SUMMARY OF 2020

This year's Qurbani programme was Ummah Welfare Trust's largest ever, alhamdulillah. Almost 18,000 of your animals were sacrificed and their meat distributed to poor Muslims in 17 different countries.

Thanks to you the blessings of Eid reached the poor, the orphaned and the displaced. For many of them, it was the first time that were able to enjoy meat this year!

Your offerings brought smiles and happiness. Not only did you ensure that the Sunnah of Qurbani was upheld, but you also ensured that our poor brothers and sisters could eat as they ought to on the special days of Eid.

May Allah accept your sacrifices!
