HAITI

Medical Clinic Support

UWT has funded the Hope Medical clinic in Chalon, Miragoane, Haiti, for several years now and are still supporting the valuable work this clinic provides for the poor locals - Each month hundreds of patients benefit from the use of this clinic. The Clinic has been operational since it reopened in July after a nationwide lockdown.

IRAQ

Orphan Sponsorship

Monthly grants of £34 is given to each orphan. This project is still ongoing despite covid- 19 lockdowns in some areas of Iraq. This grant supports the orphans with their basic day to day needs.

Vocational Training Centre

The training centre was open throughout September despite covid-19 restrictions in Erbil. A further 20 learners have acquired sewing skills training which will be a source of income for them going forward and help them live an independent life. Also, these trainees were supplied with a sewing machine at the end of the training period.

Financial Assistance

In September 2020 UWT implemented a Financial Assistance project in support of IDP in camps in Erbil and Sulaymaniyah. Each beneficiary was provided with a one-off support payment of \$500. In total 4,875 families were support in the project.

Hygiene Kits

To combat the surge in COVID infections UWT has started a Hygiene kit distribution project. Masks produced by the graduates of the vocational training centre are sewing 114,000 masks. These will be distributed along with other items including hand gels and soap to 11,400 families.

PALESTINE

Orphan Sponsorship

Ummah Welfare Trust is still providing the monthly sponsorship support of £25 to 1,963 orphans. This payment allows these orphans to fulfil their basic day to day needs and also to continue with their education.

Widow Sponsorship

UWT have continued to provide a monthly sponsorship support of £30 to 120 widows. This payment helps the hard-pressed widows with meeting some of the essential everyday expenses.

Hifdh Sponsorship

A monthly sponsorship support of £15 was paid to each of the 731 hifdh students and £193 for each of the 38 hifdh teachers.

Teacher sponsorship

A monthly stipend of £200 each is provided to 3 female teachers supporting 20 students with essential Islamic education.

Water Distribution

UWT have established a regular water distribution project providing regular supply of water to 700 families. In addition to this, many schools, masajid and 4 hospitals receive a daily supply of clean water for their day to day needs.

Water Filtration plant

Due to the chronic shortage of clean drinking water, the poor and the vulnerable are facing extra difficulties in their daily lives. As result, many children are

suffering from skin diseases as well as other related health conditions. UWT have installed a water filtration plant to help with the supply shortages for the besieged people of Gaza.

House Repair Grants

Ummah Welfare Trust is providing cash grants for poor Gazans to undertake repairs to their properties. Phase 2 will allow a further half a million pounds to be spent in helping beneficiaries repair their homes.

COVID Financial Assistance

Due to increased infections of COVID severe restrictions have been placed on movement in Gaza. This has led to hardship for families who rely on daily labour. Ummah Welfare Trust is providing cash grants for poor Gazans for 300ILS (£70) to buy essentials during this challenging time.

Food Vouchers

Due to severe poverty and food insecurity in the Gaza strip Ummah Welfare Trust have started a programme to support 270 vulnerable families. Each family receives £40 to purchase their essentials needs on a monthly basis.

Debt Repayment

The continuing siege in Gaza has resulted in 90% of its people living in poverty. As a result of this turmoil, many Gazans have had to resort to borrowing in order to meet the needs of their children and families during these harsh conditions. As a result of this they have become debtors.

Every debtor must spend 21 days a year in prison on 3 separate occasions throughout the year. This project will help relieve 750 families of their debt to ensure they do not go back to prison and can support their families who depend on them.

SYRIA

Orphan Sponsorship

Ummah Welfare Trust continued to provide monthly sponsorship support of £35 to 3000 orphans in and around Idlib.

Injured Families Support

A monthly support of \$50 is provided to 753 families helping them meet their basic needs.

Baby Milk Distribution

The displacement in Syria of a large number of people has led to immense suffering for new mothers and new born babies. UWT has been providing Formula Milk for babies through local medical clinics and has continued with this much needed programme.

Bread Distributions

The refugees inside Syria are living in overcrowded conditions, with little food and not much space to store raw materials. UWT has started to deliver 2 packs of bread per day to at least 6,800 families daily to ensure they have sufficient food.

Medical Equipment

With the ongoing turmoil in Syria, the need for medical equipment is great. A survey conducted of hospitals identified a need for a Gastrointestinal Endoscopy machine. These items were delivered to hospitals across Syria. This device was purchased and delivered to a hospital in north of Syria.

Turkey

Uyghur refugee's financial assistance

UWT has been financially supporting the vulnerable Uyghur refugees living in Istanbul, Keysori and a few other cities in Turkey. Most of the Uyghurs are in great need and do not have a regular income. Families receive cash or bank payment ranging from 2000 TL to 5000 TL dependent on the size and need of their families.

Yemen

Emergency Food Aid

The ongoing conflict and instability in the country has resulted in one of the greatest manmade disasters of modern time. To meet the levels of food insecurity UWT has delivered food packs to 3,740 families.

Water distribution

Due to the ongoing conflict and instability in the country, the greatest need for people after food is clean water. In view of this need, we have started a water distribution project to the poor neighbourhoods and families which will benefit over 360 families.
