

Job Description

Ummah Welfare Trust | +44 (0)1204 661 030

Reg. Charity No. 1000851

| | |
|-----------------------|---|
| ROLE | .Net Developer |
| STATUS | Full-time (based at Head Office in Bolton) |
| HOURS | 37.5 hours/week |
| RESPONSIBLE TO | IT Manager |
| SALARY | £35,000 to £45,000 per annum (depending on experience) |

Ummah Welfare Trust is looking for an enthusiastic and self-motivated full-stack .Net developer to work as part of a friendly team.

The role will involve work on the new website and donation management system, as well as many other exciting applications in the pipeline that will benefit the charity. This will include development on both front- and backend technologies, and being involved in the innovation of new ideas, features and systems.

You will be using a variety of skills on a daily basis to take projects from specification through to development and integration into existing systems. You will work closely in collaboration with the IT Manager to deliver high-quality software. Maintenance and support of existing applications may be required as part of the role.

SKILLS & REQUIREMENTS

Key Skills

- Degree in Computer Science (or similar).
- 3+ years of C# and ASP.Net / MVC experience.
- MS SQL Server experience.
- Front-end development skills including HTML, CSS and JavaScript / jQuery.
- Experience of working with third-party tools and their APIs.
- Ability to consistently write maintainable and clean code.
- Entrepreneurial personality: getting things done and making good decisions under pressure.
- Excellent communication skills in English (verbal and written).

Desirable Skills

- Experience in mobile development/Responsive Web Design.
- Good understanding of source control (SVN).
- Experience of working in an Agile environment.
- Knowledge of the charity sector.

The ideal candidate should have the follow attributes:

- Self-starter with a relentless focus on getting things done.
- Passion for development, problem solving and emerging technologies.
- Self-motivated with a desire to learn.
- Ability to communicate complex problems and solutions.
- Flexible and adaptable; willing to help out where required.

This post is subject to a Disclosure and Barring Service (DBS) check. To apply for this role, please email your CV and Covering Letter to vacancies@uwt.org. The closing date for applications is **18th December 2020**, although the position may close sooner if the right candidate is found.
