## Water Distribution

A regular water distribution project is providing regular supply of water to 700 families. In addition to this, many schools, masajid and 4 hospitals receive a daily supply of clean water for their day to day needs.

## Water Filtration plant

Due to the chronic shortage of clean drinking water, the poor and the vulnerable are facing extra difficulties in their daily lives. A water filtration plant has been installed to help with the supply shortages for the besieged people of Gaza.

## House Repair Grants

Ummah Welfare Trust is providing cash grants for poor Gaza citizens to undertake repairs to their homes which are in a state of disrepair. Phase 2 will allow a further half a million pounds to be spent in helping beneficiaries repair their homes.

## COVID Financial Assistance

Due to increased infections of COVID severe restrictions have been placed on movement in Gaza. This has led to hardship for families who rely on daily labour. Ummah Welfare Trust is providing cash grants for poor Gazans for 300ILS (£70) to help them buy essentials during this challenging time.

## Food Vouchers

Due to severe poverty and food insecurity in the Gaza strip Ummah Welfare Trust have started a programme to support 270 vulnerable families. Each family receives £40 to purchase their essentials needs on a monthly basis.

## Solar Plants

The Gaza strip has been suffering from a chronic deficit in electricity since 2006. The strip has an average of 320 days of sunshine a year, making renewable energy an ideal option in addressing the energy shortage. Ummah Welfare Trust is providing a sustainable energy solution through the installation of solar panels.

## Medical equipment

The hospitals in Gaza suffer from the shortage of medical supplies and equipment. Medical devices are often broken, missing spare parts, or out of date. Ummah Welfare Trust is providing beds to the Ministry of Health's hospitals.

## Masjid repairs

Masjids are places of worship for Muslims and it's acts as the hub of the community. With the ongoing turmoil in Palestine, masjids continue to be destroyed resulting in them requiring urgent repair or reconstruction in some cases. Ummah Welfare Trust is repairing damaged masjids to bring them back to their former glory.

## SYRIA

### Financial Assistance

## Orphan Sponsorship

Ummah Welfare Trust continued to provide monthly sponsorship support of £35 to 3000 orphans in and around Idlib.

## Injured Families Support

A monthly support of \$50 is provided to 753 families helping them meet their basic needs.

## Baby Milk Distribution

The displacement in Syria of a large number of people has led to immense suffering for new mothers and new born babies. Ummah Welfare Trust has been providing formula milk for babies through local medical clinics and has continued with this much needed programme.

## Bread Distribution

The refugees inside Syria are living in overcrowded conditions, with little food and not much space to store raw materials. Ummah Welfare Trust has started to deliver two packs of bread per day to at least 6,800 families daily to ensure they have sufficient food.

## Medical Equipment

With the ongoing turmoil in Syria, the need for medical equipment is great. A survey conducted of hospitals identified a need for a Gastrointestinal Endoscopy machine. These items were delivered to hospitals across Syria. This device was purchased and delivered to a hospital in north of Syria.

# Turkey

## Uyghur Refugees Financial Assistance

Ummah Welfare Trust has been financially supporting the vulnerable Uyghur refugees living in Istanbul, Keysori and a few other cities in Turkey. Most of the Uyghurs are in great need and do not have a regular income. Families receive cash or bank payment ranging from 2000 TL to 5000 TL dependent on the size and need of their families.

# Yemen

## Emergency Food Aid

The ongoing conflict and instability in the country has resulted in one of the greatest manmade disasters of modern time. To meet the levels of food insecurity Ummah Welfare Trust is preparing to deliver a major programme of over 7500 food packs to poor families in Sana'a.

## Water Distribution

Due to the ongoing conflict and instability in the country, the greatest need for people after food is clean water. In view of this need, we have started a water distribution project to the poor neighbourhoods and families which will benefit over 360 families.
