

Job Description

Ummah Welfare Trust | +44 (0)1204 661 030

Reg. Charity No. 1000851

ROLE	Digital Projects Manager
STATUS	Full-time (based in Bolton Head Office)
HOURS	40 hours per week
RESPONSIBLE TO	IT Manager
SALARY	Up to £40k

THE ORGANISATION

Established in 2001, Ummah Welfare Trust is a UK-based international relief and development charity. Inspired by the Islamic teachings of empathy, generosity and selflessness, the trust aims to alleviate poverty and suffering across the world, and also ensuring that the rights of those who are neglected and oppressed are fulfilled by providing sustainable development solutions relating to shelter, education, health, and spiritual wellbeing.

Knowing that we are all ultimately accountable to the Almighty, the charity strives to maintain transparency and accountability, and as such the charity also has a full and transparent audit trail from the donor to the beneficiary.

THE ROLE

UWT are recruiting for a Digital Project Manager (DPM) to support the IT Manager to implement UWT's exciting digital transformation strategy.

You will lead on the full project life cycle including: setting the project scope, leading project teams, managing schedules, budgets, project deliverables, managing risks and mitigations. You will uphold project management best practise, model high professional standards and behaviours to achieve best results.

MAIN DUTIES

- Work with key stakeholders to identify the IT needs for the organisation's departments and their operational plans to agree individual project specifications that align with the charity's strategic objectives
- Lead on multiple digital projects across the organisation
- Create project plans, project charters/schedules
- Manage, monitor and report on project delivery against the project scope and objectives
- Ensure that project productivity and quality meets the key stakeholder standards
- Identify, manage and mitigate risks and resolve issues
- Implement remedial action where required
- Work with 3rd party solution providers to deliver relevant solutions
- Responsible for engaging with stakeholders to discuss, agree, record and lock all changes to the project specifications
- Responsible for sensitively managing cultural changes to the working environment during the course of the project and at the project handover stage
- Establish specifications for new projects by developing project goals, phases, and budgets.
